Hardly can we remember of a time when we were so closely sold up on garments with the season less than half gone as two weeks ago. Practically all of the early spring styles were gone. A trip to market was inevitable. Almost as many new garments were bought on this trip for immediate delivery as we usually buy to open the season. So we now have a practically new stock of garments to select from.

**New Suits** Suits that show new touches of style that have only recently been conceived—then, too, we took advantage of several offerings. We have some surprises for you in suits at **12.50, 15.00, 18.00 and 25.00**

**New Wash Suits** Suits that were so popular all last summer. These Suits are modeled after the best styles in the more exclusive wool garments and trimmed very effectively. They are by all odds the snappiest Wash Suits **Prices from 5.00 to 12.50** we have ever shown.
